

Legion Riders' Prayer

*From our National Chaplain - Larry L. Vollink
10 November 2008*

Almighty God, We give you thanks, for giving us a land of the free that we can enjoy riding through its beauty of trees, valleys and mountains and rivers. You have blessed us with good health to our bodies, minds and spirits, so that we can appreciate your awesome gifts of owning a bike to ride and friends and comrades that can appreciate the same. Help us to help those in need in their lives, so that they too can prosper in all that they are capable of doing and becoming for the glory of God. We ask for your safety and protection as we travel far and near and to unknown places. Make our lives to be good examples as a Legion Rider who cares about veterans and our troops who are serving, and Lord, be with their families right now. Especially at this time, be with those who are grieving for those who have given the Ultimate Sacrifice for their beloved country. Give each of us the strong sense of your presence and your guidance in all things. In your name we pray. AMEN
